- *Build a Sustainable*
- *construction industry*

**Collaborate • Optimize • Increase Relatedness • Network • Learn by Action**

“A Design & Construction Market Place”

## ABOUT THE SERVICE

A supply chain partnership platform designed to perpetually integrate the construction industry direct workforce with Professional, Specialty Contractors, Material Suppliers, Project Owners/Clients and other industry partners through a membership program.

Core Resource Partners includes Trade/Specialist contractors, Architects, Engineers, Surveyors, Consultants, and vendors who sell, supply or manufacture materials or equipment for the construction industry.

## BENEFITS

for the Core Resource Partner

- Networking / Referral Opportunities
- Project Partnering
- Evidence-based Certification Programme
- Customized Work Immersion Training
- Brand Development
- Staff Augmentation/Recruitment
- Subcontract Management Programme
- Web-based & Word-a-Mouth Marketing
